

New Member Recognition

Danielle Jackson

Danielle has been a CACEE member for less than a year and has already been significantly involved in the association. Within 3 days of being in her current role as Employer Development Coordinator, Danielle attended her first CACEE conference and took advantage of all the networking opportunities she possibly could. Within weeks of the conference she was sitting on two CACEE committees (Communications and Diversity) and became heavily involved in the 2014 National Conference planning, sitting on the sub-committees for social and the raffle, and providing overall support to the National Conference Steering Committee. Danielle has expressed on several occasions her desire to continue and expand her involvement in CACEE.
